About the Hamilton Children's Choir

The award-winning Hamilton Children's Choir (HCC) has a reputation of being one of the leading children & youth choral programs. Going far beyond technical excellence, the choir consistently dazzles audiences with its focused sound, brilliant repertoire, and captivating stage presence.

Celebrating over 40 years of singing, the Hamilton Children's Choir has grown to include six children & youth choral programs for approximately 200 young singers aged 3 to 18. Guided by world-renowned artistic director Zimfira Poloz along with a talented Artistic Team, the HCC offers children and youth the experience of musical training, vocal instruction, and world-class performances, along with an unmatched opportunity for personal growth, challenging work, and rewarding experiences.

Artistic Positions Needed

The HCC is seeking to expand its membership and as a result anticipates hiring additional artistic staff, both a children's choral conductor and collaborative accompanist. If you are someone who loves working with children & youth, works well in a collective environment, is keen to learn, and enjoys having fun while you work, then you should apply!

Conductors need to be able to demonstrate successful experiences working as a music educator with young children. Working knowledge of music theory, and the Kodaly method are paramount.

Accompanists should have experience not only accompanying a children's choir but also be able to demonstrate the ability to assist with music education and the creative process i.e. sectional rehearsals, music theory support, music selection. Working knowledge of music theory and the Kodaly method are also key.

How to Apply:
