Refunds

HOW TO WITHDRAW FROM THE HCC & RECEIVE YOUR REFUND

To qualify for a refund, parents/guardians are required to contact our office.

Withdrawal from our programs is considered incomplete and you will continue to be charged until the office (not your conductor) is notified of your departure.

Program fee refunds are available until December 31, 2026. No refunds will be considered after January 1, 2027. Flexible payment plans are offered to help with affordability and accessibility. After the December 31 refund date, you will be required to complete payment for the season's program fees, regardless of your child's status with HCC.

For example, if you are on our Monthly Payment Plan and your child withdraws on March 5th, you will continue to make payments until April 30th.

FINANCIAL AWARD & FAQ

Financial Award

The HCC Financial Award Program is available to anyone who needs assistance with affording our programming. At any time during the season, should a family experience a change in their personal situation and would benefit from financial assistance, please contact our office.

The Financial Award Application can be found at hamiltonchildrenschoir.com/fa/.

Method of Payment

HCC fee payments are processed using an online billing & payment system called TUIO. TUIO accepts payments via eCheck (electronic cheque, similar to pre-authorized debit/withdrawal) or credit card. There is a service fee to process credit card payments. The processing fees are:

eCheck – Free!*
Credit Card $0.35 + 3.5% of transaction
Cheques, cash, or e-transfers will not be accepted.

*If you select the e-check payment option, please note that a $35 NSF (non-sufficient funds) fee will be charged for each returned payment. It is your responsibility to ensure that sufficient funds are available in the account prior to each scheduled withdrawal.

Frequently Asked Questions

Q: I've registered for the season, now how do I pay?
A: This year, payment is built straight into our registration form! As long as you haven't indicated you will be applying for Financial Award, you will be brought to TUIO, our payment processor, to setup your payments for the year right away.

If you have opted to apply for Financial Award, you will be brought to the Financial Award application form. Once we have received your registration and application, we will issue the invoice for you to setup your payment through TUIO.

HCC uses TUIO to process all of our payments. That means you can pay via eCheck (electronic cheque, similar to pre-authorized debit) or credit card. This will be a one-time setup that will process your payments according to the payment schedule you select. If you were in the HCC during the previous season, you won't need to set up your account, you will just receive a new invoice on your account.

Q: I would prefer to pay by cash. How come you do not accept cash payments?
A: We do not accept cash payments for the sake of security. Cash payments are not traceable, so if they are misplaced by a child or a member of our team, there is no way to prove that you submitted the payment or that we received the payment.
If you have any questions that have not been answered in this document, please contact our office.
